WIFI Service

Thank you for expressing an interest in the Netmindz.net WIFI wireless internet service.

This service is currently a network covering the old town area and other properties near by. In order to spread the coverage we require some of the residents to host a small WIFI repeater in their homes, preferably placed on their window ledge. These units will be supplied preconfigured by Netmindz so an engineer visit to install the device may not be required. The units themselves are about the size of a pack of playing cards and draw minimal power.

Currently Netmindz are supplying these units **free of charge** on a first come first serve basis, to homes that are best positioned to extend the coverage of the network. By hosting one of these units you will personally benefit from a better signal as well as expanding the coverage for other users.

If you choose to choose to accept a unit it will be provided **free** subject to the following conditions

1. The units remain the property of Netmindz
2. The units must remain powered on 24 hours a day
3. Should you no longer wish to host a unit, you must contact Netmindz to arrange the return
4. Netmindz reserves the right to withdraw the WIFI service
5. Should Netmindz request the return of the unit, Netmindz will arrange for the unit to be collected or for Netmindz to send a postage paid envelope for the unit's return
6. Users who are hosting the repeater units are be eligible for a discounted fees
7. Should not returned to Netmindz within 28 days of a request in writing you will be liable for an administration fee of £50
8. Should the units be lost, stolen or damaged or not returned to Netmindz within 28 days of a request in writing you will be liable for a fee of £100 for the hardware

If you wish to proceed please either email wifi@netmindz.net or call 02070996866 with your name and flat number and a time when you can sign for the delivery

If you have any questions, queries or concerns then do please get in contact and we will be happy to discuss them with you

We look forward to hearing back from you
